

**NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND
NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS**

Feb. 1st, 2024

Brockton Redevelopment Authority

50 School St.

Brockton, MA 02301

(508) 586-3887

These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the Brockton Redevelopment Authority.

On or about Feb. 23rd, 2024, the Brockton Redevelopment Authority (BRA) will submit a request to the U.S. Department of Housing and Urban Development (HUD) from the U.S. Department of Housing and Urban Development (HUD) for the release of Community Development Block Grant funds under Title I of the Housing and Community Development Act (42 U.S.C. 12701 et seq.), to undertake a project known as Boys and Girls Clubs of Metro South Public Facilities Project.

The funds will provide financial assistance of up to \$48,000 for the Boys and Girls Clubs of Metro South to support critically needed facilities improvements for the roof of its Brockton Clubhouse gymnasium, which will enhance the safety and quality of the recreational and community programs offered for over 2,000 youths and community members each year.

The BRA has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at BRA's office located at 50 School St., 2nd Fl. and may be examined or copied weekdays 8:30am to 5:00pm.

Any individual, group, or agency may submit written comments on the ERR to the BRA. All comments received by Feb. 23rd will be considered by the BRA prior to authorizing submission of a request for release of funds. Comments should specify which Notice they are addressing. Comments can be sent by US Postal Service to 50 School St., 2nd Fl., Brockton, MA 02301 or by e-mail at spelimond@brocktonredevelopmentauthority.com.

ENVIRONMENTAL CERTIFICATION

The BRA certifies to HUD that Robert F. Sullivan in his capacity as Mayor of Brockton consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the Brockton Redevelopment Authority to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of fund and the BRA's certification for a period of eighteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the BRA; (b) the BRA has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD/State; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to the U.S. Department of Housing and Urban Development. Potential objectors should contact HUD to verify the actual last day of the objection period.
